

* No ABC order, sentences or Rdg. Q's due to holiday.
 Homework from above will continue → 12/2/13.
Homophones

Monday
 Homework

Homophones are words that sound the same but are spelled differently and have different meanings. Sometimes homophones can be more than two words.

Examples:

- Pear and pair are homophones.
- To, too and two are three homophones.

Directions: Draw a line from each word on the left to its homophone on the right.

| | |
|-------|--------|
| blue | knight |
| night | too |
| beet | blew |
| write | see |
| hi | meet |
| two | son |
| meat | bee |
| sea | high |
| be | right |
| sun | beat |

* No ABC order, sentences or Rph. (is here to help)

Homophones

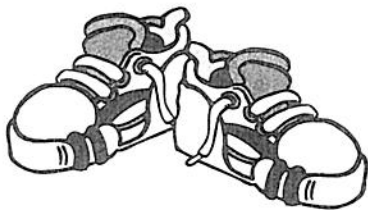

Homophones are words that sound the same but are spelled differently and mean different things.

Directions: Write the homophone from the box next to each picture.
